- Club Philosophy
 - Northern Impact was created in 2008 in order to provide a cost efficient and multi-sport athlete friendly form of club volleyball. Through our training, players will learn the basic fundamentals and current techniques of volleyball, as well as more advanced strategies to become more successful, more confident, and better overall volleyball players.
 - We believe in developing the entire player
 - Physically, mentally, character
 - We understand that school sports/activities take first priority
 - This is our first year offering a boy's program
 - Cost for our boy's program will be \$335
